Los Angeles, CA 90015

Dear Ms. Strauss,

Thank you very much for participating in FIDM's Library Speaker Series 2008. Feedback such as: "What an inspiration!" and "Oh my god she's so down to earth!" has been the popular reaction. You provided the students and staff with great insight to your intriguing business. It was great meeting you and hope to have you back for more inspiration in the future.

Thanks so much for your valuable time!

Roseanne Garcia
Library Public Service Manager
